

Andrew & Naomi Adams

-RESEEDING AMERICA-

Missionaries to New England

First Edition – January 2026

We want to first thank God for considering us worthy of the ministry to which He has called us, and for the salvation that we have and preach. We also thank the churches that have been hospitable and loving toward us in this past month. We were able to fill every Sunday service this January, with the exception of the 25th, due to the violent weather in Tennessee. Currently, we are booked through May and have one Sunday in June filled. God has been good to us, and we are blessed by Him and His people.

Joseph is growing quickly, in the 86th percentile in weight. He is developing quickly, as well, at 7 months old. Please pray that God would use him to do great things in the future, and that He would teach us to be the parents that we ought to be. This is still a fresh journey for us, and I am glad that I have a God that understands it far better than I do.

Beginning the month, we were already in North Carolina to celebrate Abby Carter's (Naomi's little sister) birthday, and we were able to meet at Faith Baptist Church in Shelby, North Carolina, the church that Naomi grew up in. While we were there, we also had the chance to attend the revival meeting preached by Brother Cody Zorn. The trip was spiritually fruitful for us, especially as Brother Zorn preached on servants throughout Scripture in the meetings, giving us something very applicable to our station. We had another meeting in the area that went well, then we travelled back to west Tennessee, where we had two meetings scheduled. One of those was cancelled due to snow and ice, but the other went very well.

Continue to pray for us as we want to be a blessing to any church and pastor that we have opportunity to meet. We are excited about going into February, because our meetings are picking up quickly. The Lord has blessed us with many meetings so far but please pray that He will continue to provide as we continue to serve Him.
