Andrew & Naomi Adams

-RESEEDING AMERICA-

Missionaries to New England

Fifth Edition – May 2026

Greetings Prayer Partner,

God has been so good to us this past month, and we're certain that your prayers had much to do with our success. At the beginning of the month, we drove back to Covington, Tennessee, where we live, and had a meeting in our area that we had to postpone in January because of an ice storm. We also were able to celebrate Mother's Day with our sending church, First Baptist Church of Atoka, Tennessee, then travel to east Tennessee to reconnect with a church that we've known since our time in college. After that, we made our way to Florida, where we suffered blazing heat, but we were tremendously blessed with a wonderful missions conference where our mission agency president, Brother John O'Malley, preached the meetings. The theme of the conference was "Others," and it gave us a lot to think about going into the ministry that God has called us to. We are currently at 14.5% support, and God is blessing with more promises of support as we continue. The month was slower in raising support, but we know God is still blessing.

During the month of May, Naomi's grandfather from Colorado passed (May 16th), and the funeral was May 26th. He was a great man of faith, and his life and passing has certainly left a mark on the Carter family. Please pray for Naomi and her family as they grieve the loss of a loved one. We were not able to make it to the funeral, but we have planned a family reunion with all of the Carter's in late July.

Joseph and I have had much better health recently, with much fewer flares! We are very thankful. Joseph is now 25lbs and still growing. We are coming near his first birthday on July 5th, and our family is excited to be a part of it. He was diagnosed with GERD, though it is not effecting his weight (obviously). It is not a large concern now, but if it continues, his doctors may consider a more invasive treatment.

For the month of June, we are excited to be in Tennessee and North Carolina for the whole month. We will be traveling back and forth across both states, but it is a blessing to be in two wonderful states for the month. God has continued to bless us with meetings in churches that we just fall in love with. We are so thankful that we can have such a relationship with the churches that support us, and we are hopeful that that relationship will last for many years. Please be in prayer that we are able to schedule more meetings and do well to properly represent the ministry God has called us to in our upcoming meetings. We need your prayers, and we are abundantly grateful for them.

Current Support: 14.5%
